*The Best of Care for People and their Pets*

## **Size and type of Enclosure**

Please describe the cage and its dimensions, and ***draw a plan on the back of this page.***

How often do you check the cage?

How is the cage cleaned? How often? What disinfectant do you use?

## **Substrate (Material on bottom of enclosure)**

What is the cage substrate (type and depth)?

How often is the substrate changed?

## **Hides**

What is the cage furniture e.g. hide box, climbing branches, rocks? Include these in the cage plan.

How often are these cleaned and how?

## **Heat sources**

Describe the heating of the vivarium.

Are there thermometers and, if so, where are they positioned?

What is the temperature gradient (Highest & Lowest temperature points in the enclosure – *NOT what the thermostat is set on*) of the enclosure? Eg 33C – 20C

## **Lighting**

Describe the lighting (including UV (brand used) and access to natural – NOT through glass or Perspex – sunlight).

How long is your lizard kept in the light (both natural and artificial)?

## **Water**

What is the water source and where is it in the cage?

# Warranwood Veterinary Centre

*The Best of Care for People and their Pets*

How often is the water changed?

## **Your lizard**

How often do you check your lizard?

How often is your lizard handled?

## **Reproduction**

What is your lizard's breeding history?

Does it display sexual activity?

If female, has your lizard laid eggs/had young? If so, when and how many?

## **Food**

What diet do you feed? *How often* do you feed?  
Indicate the *percentage* of the diet that each item occupies.

List any supplements, vitamins, minerals, tonics, medicines, probiotics etc. Are these given in food or in water?

How long have you fed this diet?

What was the previous diet?

What is your lizard's favourite food?

## **Skin**

Describe the skin shedding.

# Warranwood Veterinary Centre

*The Best of Care for People and their Pets*

## **Medical history**

When was the last faecal & blood examination of your lizard performed?  
*(We recommend twice-yearly faecal & once yearly blood examination)*

Who are the veterinary surgeons that have previously treated your lizard?

Briefly list all past medical problems, including dates and medications.

**Describe the current problem** with your lizard (ie why you are here!) **How long** has it been going on, signs, treatments etc.

Is it getting worse/better/same?..

**Is there anything else that you think is important for us to know?**

**THANK YOU FOR FILLING OUT THIS DETAILED FORM!**

***Please note that payment is required at time of consultation***

Payment Method (***Please circle***): CASH      CREDIT CARD      EFTPOS
